

THE HAMLIN HERALD

IN 33RD YEAR—EVERY WEEK SINCE 1905

HAMLIN, JONES COUNTY, TEXAS,

FRIDAY, FEBRUARY 4, 1938

NUMBER 14.

FIVE STUDENTS IN HAMLIN SCHOOL WED SINCE SEPTEMBER

HAMLIN, Feb. 1.—(Spl.) Announcement has been made of the marriage of Louise Durham of Hamlin and L. W. Evans of McCaulley.

Mrs. Evans was the fifth girl student in the Hamlin high school to be married this school year. The first was Billy Jean Caskey, who became the bride of J. R. Reynolds before Christmas. Both are members of the senior class. During the Christmas holidays, Ethel Bell Neal, a freshman and Clara Mae Teague, senior, were married.

The above is a clipping from the Abilene Morning News, and is really "news in Hamlin." The revelations must be correct for the local reporter ought to know.

PLAY AT SCHOOL THIS FRIDAY NIGHT

A 3-act play sponsored by the Hamlin High School Board, will be presented at the High School Auditorium Friday night, Feb. 4, at 7:30 P. M. Actors in the play are of the American Legion band, of Stamford. The play is one you will not forget for many years, having played to a full house each performance. The admission will be 10c for children and 20c for adults.

Mrs. R. J. Robertson underwent a major operation, Monday in the Hendrick Memorial Hospital in Abilene. She is reported to have stood the operation well and is doing nicely.

UNION TABERNACLE

We enjoyed blessed times the last week-end. This coming week-end services will be conducted as follows:—Saturday night, Bro. Nicholson, speaking.

Sunday morning, Dr. McCrary. Sunday night, Bro. Griffin.

Dr. L. P. McCrary.

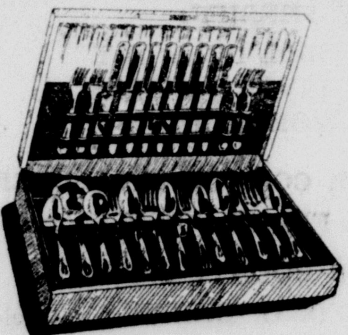

MT. ZION CHURCH

SERVICE ANNOUNCEMENT

Rev. and Mrs. H. C. Cagle will be at the Mt. Zion Church this Sunday at 11 o'clock and also at the night service.

Rev. and Mrs. Cagle are quite well known to many Hamlin people and those who have not heard them preach will be pleased to hear them at this time. Everybody has a cordial invitation to come to our Sunday services.

J. C. ALLEN, Pastor.

TOM HUDSON OUT FOR SHERIFF

In this week's issue of the Herald will be seen a formal announcement of Tom Hudson, for the office of Sheriff. There is no reason for introductions for this candidate for Tom Hudson is perhaps better known in Jones County than anyone else. The only difference in Tom now and six years ago when he retired after serving the county so long as sheriff, is that he is just six years older. Anyone who ever shook hands with him will flinch this year when he sticks out that big hand for a hand-shake. Really here's a tip, Tom: Since you make such an "impression" with that hand, maybe you had better wrap it up like you were crippled when you go out to picnics and rabbit drives this spring. It would have more effect on the lady voter. Now that is all we are going to tell on Tom right now except that he is very much like a Model T Ford—he is going strong and good for a 100 years yet, and by some means he "gets there" and always brings 'em back.

Tom says "Just tell the folks over Hamlin-way, I'll be seeing 'em all along and that I want to shake hands with every last one of you." Now let's read his own "speech." He starts out by saying:

TO THE VOTERS OF JONES CO.:

It is with a great deal of pride and pleasure that I come to you asking to be nominated as your Sheriff in the Primary Elections of this year. I do this with the full knowledge of the responsibilities and duties incumbent upon the sheriff. I assure you that if elected I shall handle the affairs of the office in the same careful manner as I have done in the years past while sheriff. I shall ever keep in mind that I am the servant of the people of Jones County and that my time belongs to you. I feel that I need no introduction to the old timers but to the new people I would like to say that I am a native-born son of Jones County and served the people as sheriff for a number of years and this will be enough to convince you that I am able to handle the office satisfactorily if elected. Ask the "natives."

I shall be glad to meet all of you before the primaries, but should I fail to see you personally, please regard this as a personal solicitation. I shall appreciate your vote and influence.

TOM HUDSON.

MRS. DORENDA DUTTON DIED

EARLY SUNDAY MORNING

Mrs. Dorenda Dutton passed away at the home of her daughter, Mrs. Wesley Groom, of Abilene, at 12:45 Sunday morning, January 30, 1938. At the time of her death she was 81 years of age. She was born in Nant, Kentucky, March 26, 1857. Her husband died in 1923. Surviving are five daughters and three sons whose names are Mrs. Wesley Groom, of Abilene; Mrs. J. T. Embrey, of Hamlin; Mrs. J. D. Stancel, of Electra; Mrs. Henry Embrey, of Honda; Mrs. J. D. Zachery, of Ropesville; John Dutton, of Anson; Joe Dutton, of Hamlin, and Arthur Dutton, of Lakeview. Also surviving are 47 grand children and 30 great grand children.

Mrs. Dutton had been a member of the church since she was 14 years old.

Funeral services were held at the Neinda church. M. V. Showalter, minister of the Church of Christ, of Abilene, held the services. Interment was in the Neinda cemetery under the direction of the Elmo Funeral Directors of Abilene.

W. L. Fletcher Jr., rural carrier on Rt. 3, has been in Washington City attending a Board Meeting of the National Rural Letter Carriers. Mr. Fletcher is treasurer of this organization and as such he makes frequent trips to the various meetings over the nation. He will likely be at home during the coming week.

Mrs. E. T. McGee, of Dallas is a guest this week in the home of her daughter, Mrs. Burns Eakin.

MINUTE PICTURE SCHOOL FINANCES

Perhaps one of the clearest pictures of Hamlin school financial history ever composed or for that matter, as good a picture as could be formulated of any department of government, was presented Wednesday by Supt. C. G. Green to the Rotary Club.

In this compilation of dates, figures, comparisons, percentages, from the year 1909 to the present 1938 was deeply interesting. Mr. Green has prepared sets of reports consisting of five pages each for every member of the Club and as he glanced through the details, and explained the items, the interest deepened.

In the department of scholastics, enrollment, attendance, etc., Mr. Green showed that while the High School Department was much larger than in 1924-25, the first year he was here, the grades below the high school then out numbered what they do now. This is an indication that there are not as many babies now as then.

Another thing showed up. The attendance in school does NOT show that anybody has moved from Hamlin lately. Hamlin school is holding its own. However there may have been a few families moved who did not have children in school.

RURAL CARRIER

EXAMINATION

The United States Civil Service Commission has announced an examination to fill the position of rural carrier at McCaulley, Texas. The examination will be held at Hamlin, Texas. Receipt of applications will close on Feb. 18, 1938.

The date of examination will be stated on admission cards mailed to applicants after the close of receipt of applications, and will be about 15 days after that date. The salary of a rural carrier on "a standard route of 30 miles served daily except Sunday is \$1,800 per annum, with an additional \$20 per mile per annum for each mile or major fraction thereof in excess of 30 miles. Certain allowances are also made for the maintenance of equipment.

* It is not how close but how far you can get from a passing car.

JUNIOR PLAY

"GIRL SHY" Feb. 18

BANQUET SPEAKER

HON. WM. McCRAW,
Attorney General of Texas

Friday night, February 11, is to be a big time in Hamlin. That date is set as the annual banquet time for the Hamlin Chamber of Commerce.

Already tickets to this affair are being bought with a rush and it would appear that a capacity house will be present.

The place is the basement of the Methodist Church.

A program of unusual attraction is to be presented.

Attorney General Wm. McCraw will be the principal speaker. This alone should fill the house. Gen. McCraw is regarded one of Texas' best orators, and it now looks as if he will get promoted to the governor's mansion.

The chamber of Commerce has also extended invitations to a number of neighboring towns, and Secretary Benson is expecting and in fact is getting many acceptances to the banquet. This affair should have at least 150 in attendance. Remember the date—get your tickets.

Kurt Schoemann returned this week from New York where he went to meet his mother from Germany. He also visited the Markets in several centers while away. He seems not to have had his way with his mother—she told him, "Now that I have seen you, I'll just go down to Savannah, Ga., and see my son there and his wife and the grandson." She had her way and after her visit will come on to Hamlin to make her home.

* Before your accident the road sign told you the curve was there.

Rural Carrier Retiring From Service At McCaulley

FRANK EDWIN HINES

MRS. FRANK E. HINES

(By JOHN P. HARDESTY)

Frank Edwin Hines was born in Harris county, Texas, Jan. 21, 1873. He was married to Miss Mollie Elizabeth Hill in Bosque county, Dec. 10, 1899. They moved to Haskell county May 28, 1909 and settled at Rule. Mr. Hines began as a rural mail carrier on a Rule route May 16, 1915, and continued in this capacity until transferred to the McCaulley route, Fisher county, September 15, 1935, succeeding the late W. H. Stephenson, who had been carrier on the McCaulley route some 27 years, he being removed by death in Dec. 1934.

Mr. Hines retired from the service Jan. 31, of this year, he having reached his 65th birthday, which automatically removes him from active service and places him on the pen-

sion list by Federal statute.

Upon expiration of his service Mr. Hines will return to his home at Rule where he will manage his farm interests.

Mr. and Mrs. Hines have eleven children, two sons and nine daughters. The sons are Herschel and Aubrey of Rule. The daughters are Mrs. Jewell Finley, Levelland; Mrs. Frankie Rock (Raymondville); Mrs. Cora Jenkins, Hamlin; Mrs. Hazel Terrell, Odessa; Mrs. Catherine Gaskill, Fort Worth, and Misses Ruth Travis, Elizabeth, and Thelma Faye, all at home with their parents.

The Hines family are all affiliated with the Methodist church and are active in church and community affairs. They are valuable assets to the community in which they live.

B. F. DYE BURIED LAST SATURDAY

Hamlin people did not know that B. F. (Flint) Dye was in a serious condition until they learned of his death in the Abilene Hospital Friday of last week.

Mr. Dye passed away following an operation. It will be recalled that not many months ago he came home from the hospital at Big Spring where he had been very ill for several weeks. And it was for further improvement of his health that he took an additional operation at Abilene.

Mr. Dye had been in the employment of the Shell Pipe Line Co. for a long time, but was formerly a farmer in the country north of Hamlin.

He is survived by a wife, formerly Miss Cora Harrison, to whom he was married in 1920 in Coke County, and one daughter, Virginia Hope, age 10 years, and two brothers, Jim and Douglas Dye of Guion, and a sister, Mrs. Esther Smith of Hamlin. His mother-in-law, Mrs. B. F. Harrison, a pioneer woman of Stonewall County, resides in Hamlin.

Funeral services were conducted at the Sacred Heart Catholic Church in Abilene at 10:00 o'clock Saturday morning by the Rev. Henry Felderhoff. The body was conveyed to the Hamlin East Cemetery, in charge of the Laughter Funeral Home, for burial by the side of a little daughter.

Mr. Dye had many warm friends in Hamlin where his family has lived a number of years.

WILLIAM MILTON WILSON

DIED AT BAYLOR HOSPITAL

Death came to little William Milton Wilson, the only son of Mr. and Mrs. Milton F. Wilson, at The Baylor Hospital in Dallas at 11:20 A. M., Wednesday, February 2, after heroic efforts of the parents and grand parents, physicians and specialists to save his life.

The little fellow was 2 years, 4 months and 23 days of age. He was born Sept. 9, 1935.

It will be recalled that this baby was reported very ill last week, being brought to the home of his grand parents, Mr. and Mrs. W. F. Johnson, from his home in El Paso. The little fellow was taken to the Abilene Hospital and then later to Baylor Hospital in Dallas, where an operation was performed Tuesday. All efforts proved ineffective.

For perhaps all of his life, little "Bill" Wilson had held a favorite place in the hearts of even those whom he met for the first time. He was a friendly, jolly baby, with plenty of smiles and interest for everybody. Soon after Mr. and Mrs. Wilson moved to El Paso he had a serious illness and later it was found that the illness had caused the loss of his hearing, and this served only to draw his loved ones all the closer. He continued his pleasant bearing and gave promise of growing up big and happy. About two weeks ago he again became seriously ill and his condition appeared to grow worse, specialists suggested a lower climate, without being able to fully diagnose the case.

Funeral services were conducted at the First Baptist Church, Thursday afternoon at 3:30 by the pastor, Rev. Henry Littleton. Barrow Company had charge of the burial arrangements and the little body was placed to rest in East Cemetery.

Relatives from out of town attending the funeral were Mr. and Mrs. Frank Johnson and Robert Johnson all of Dallas, and Miss Annie Laurie Johnson of Coleman and Mr. and Mrs. J. D. Greenway, of Pecos.

JUNIOR PLAY

"GIRL SHY" Feb. 18

EXPRESSION OF APPRECIATION

We wish to thank our friends and neighbors for the kindness shown us during the illness and at the time of death of our husband and father.

Mrs. O. Underwood,
Betty and Evelyn.

"GIRL SHY" TO BE PRESENTED FEBRUARY 18

CAST OF TWELVE IN THREE
ACT COMEDY; SPECIALTIES
FEATURED BETWEEN ACTS

Members of the cast of "Girl Shy," the play to be presented by the Junior Class of the Hamlin High School, February 18, have been selected and rehearsals have been under way for two weeks.

"Girl Shy," a royalty play, is under the direction of Miss Doris Pope, class sponsor, and is being presented under special permission of the Dramatic Publishing Company, Chicago, Illinois. It is a fast moving, side-splitting three act comedy, by Katherine Kavenaugh, that will furnish a delightful evening of entertainment for the entire family.

Members of the cast include Clara Louise Shelburne, Dorothy Gardner, Mary Elizabeth Tindal, Rosemary Carlton, Wanda Sebastian, Ida Fanning, Pat Coles, Dean Redus, John Scarborough, Eral Ray, George Dean and Cecil Sellers.

The stage manager is Loleta Ubben, and the publicity committee consists of Frances Fanning, Jack Russell and Jon Max Taylor.

Clever and unusual between act specialties will be featured as a part of the evening program.

ONE VARIETY OF COTTON MEETING

A one variety cotton meeting was held Monday, Jan. 31st, at 7:30 P. M., at Hamlin. J. W. Ezzell, farm owner of Wise Chapel community, was elected president; Joe Culbertson, farm owner of Dovie community, was elected vice president, and J. E. Moody, oil mill operator, was elected secretary.

The board of directors consist of A. J. French, Tuxedo; T. J. Treadwell, Plainview community; Walter Love, Lakota community; J. M. Dubose of Hanna community; L. C. Denton of Flat Top community, and the elected officers.

Two varieties of cotton, A. D. Mebane Estate and Texas Special, were were selected, representing both types of soil. Further plans of the organization will be presented later. —Floyd Lynch, County Agent.

J. B. Terrell Jr. went to Austin last Saturday to enroll in the State University. J. B. is to take the pre-med. course and some day it will be Dr. Terrell. This young man won a scholarship in his senior year in Hamlin Hi.

Coach Roy Morris and wife of the White Flat school in Nolan County were visitors in Hamlin the past week end. Mr. and Mrs. Morris are former teachers of Hamlin.

Delma D. Shelbourne, W. H. Murpree, Grover Sipe and E. G. Smith are building a new residence for the Lewis Production Co. in the KMA oil field near Electra. These boys recently built one for the same company near Hamlin.

W. E. Benson, secretary of Hamlin Chamber of Commerce, accompanied by Tom Teague, John C. Turner, J. E. Moody and Earl Smith, attended the banquet in Stamford, Thursday evening given by the Stamford Chamber of Commerce.

AFTER TODAY — TOMORROW

—That which lies just around the corner, that which is still hidden by the impenetrable veil of the future, is the thing that keeps us alive and fresh and young and interested. And those who have been fortunate enough to make that discovery need not go in search of the fountain of youth in some distant El Dorado. They carry youth itself in their hearts.—Hendrik Willem van Loon, author and historian, in the Esquire Magazine.

A BIGGER WASTEBASKET NEEDED—NOW

From the amount of "stuff" submitted from every source from "politicians to Podunk" to be "used if you can," in the Herald, it looks as though a bigger wastebasket is needed. No one but a country newspaper man can realize the number of envelopes chuck full of everything from forests to foolishness that are received every week.

The Federal Government, State Government, county government, agricultural department, educational department, extension department, army and navy departments, treasury department, organizations of a score of kinds, grafting free advertising concerns, sports, anti this and pro that—all piling through the mails hoping the little ole "no-account" paper will gobble 'em up—just to fill up the paper. All we need is a larger wastebasket.

A GOOD LETTER

FROM A READER

PADUCAH, Texas.

February 1, 1938.

Hamlin Herald,
Hamlin, Texas.

Enclosed you will find one dollar for a subscription to your paper for 1938.

My family, including wife, son, Cleo, small daughter, Billie and also my married daughter and son-in-law, Mr. and Mrs. Clifton Rhodes, and myself enjoy the Hamlin Herald very much and wish to continue reading it.

I lived in Hamlin ten years, all of which I enjoyed. My mother, Mrs. Branscum, six brothers and two sisters live in and about Hamlin, now. About the only way I ever hear from them is through the Hamlin Herald.

I have lived near Paducah about ten years, which I call and continue to make my home.

I have many friends in Hamlin of which I enjoy reading about in the Herald.

Your friend and reader of
The Hamlin Herald.

B. BRANSCUM and Family.

CARD OF THANKS

We want to thank our friends and neighbors for their kindness during the illness and death of our loving mother and grandmother.

Mrs. J. T. Embrey and children,

Mr. and Mrs. J. D. Stancel and children,

Mr. and Mrs. J. E. Dutton and children,

Mr. and Mrs. Joe Dutton and children,

Mr. and Mrs. Wesley Groom and children,

Mr. and Mrs. J. D. Zachery and children,

Mr. and Mrs. Henry Embrey and children,

Mr. and Mrs. Author Dutton and children.

B. T. BEAVER WILL ASK

FOR COUNTY SUPT. OFFICE

This past Tuesday the Herald was visited by B. T. Beaver of Anson, formerly County Superintendent of Jones County, and he made it known that next week or soon he would have his formal announcement before the people as a candidate for this office again.

Readers of the Herald will look for his "speech" right soon, and at that time we shall try to introduce him further, if possible, especially to those who came to this county during the past four years.

COURTESY IN BUSINESS—Court-

tesy is the grease that oils the machine of business. Courtesy is not lip service. It's merely treating the other man as you'd like to be treated. There must be sincerity behind your courtesy. You must feel it.—John R. Tunis, author, in the Rotarian Magazine.

Mrs. Elmer Wilson and Mrs. Dave Stevenson went to Hollis, Oklahoma this week to visit relatives.

Points and Personalities

by doris pope

Yes sree, this was "blue Monday" all right and plenty of people have been wearing long faces. Why? Monday was the last day for that painful duty—paying taxes.

It was also the last day to buy "ringside seats" for the big fight to be held this summer. If you've noticed all the names and smiling faces staring at you from the newspaper columns and the sudden siege of back-slapping and hand-shaking, just remind yourself that someone wants to know if you have that little ticket—your poll tax receipt. It looks as if the ring will be overcrowded with hats this year, so pick your "winnah" and stay with him.

We have been the target of some very nasty cracks about our not being able to "talk" for a week.

Who is the young blonde stenographer who has been enjoying an exchange of letters with the owner of a big poultry concern in Greenville, Texas?

We understand that an attractive young basketball coach (of the fairer sex) is still blushing a rosy-red because of her recent experience in holding hands.

Cassanova blew back in town one night this week about 11:00 and stayed until 1:30 the next morning. All the goils were disappointed—that is, all except one.

CAUGHT! !

The Rotarians have that "guilty look"—and they were caught. Two weeks ago they met with the Lions on Tuesday and, therefore, called off their own regular meeting. So at Wednesday noon, the Rotary district governor, accompanied by his wife and eight distinguished guests, arrived, unannounced, at the Morgan Hotel expecting to lunch with the Hamlin Club. But finding no meeting, they quietly ate, paid for their own meals, and left town. Yep, the Rotarians are in the "dog house."

Cupid has been working overtime lately. . . . Mr. and Mrs. Jack Fletcher surprised and fooled their friends when they announced their marriage in Breckenridge last Sunday. . . . Congratulations, Jack and Jackie. . . . we'll forgive you even though you didn't let us in on it, and we were the last ones to hear the good news. . . . Another wedding among the "frying-size" crowd was announced this week. . . . and we say congrats to you, Louise and L. W. . . . By the time you read this, Mr. and Mrs. Ernest Davis will be on their way somewhere. . . . the last of the famous bachelor-duo has taken the fatal step. . . . Best wishes to you, Wayne and Ernie.

We have been requested to suggest to a certain "Don Juan", of our fair city, that he put a new muffler or exhaust or something on his car if he is going to keep such late hours courting.

A prominent matron and clubwoman, who seldom misses a club meeting, made a social error last Tuesday afternoon, when she "completely forgot" to go to her club and quietly went shopping (This is getting to be a habit! Perhaps the lady and "Percy" ought to get together and sympathize with each other.)

A certain preacher didn't mind what Ye Editor said about his going to jail, but he did resent the slur on his car. He says he was a foot when he tried to catch ye Editor's Buick, and not in his Ford.

Have you missed the Alabama drawl from the F and M Bank?

Whoops! Even Emily makes a bust! We wonder how Emily (Etiquette) Post felt when she "spilled the berries" at a formal luncheon in New York last week?

The moral to this story is: Muzzle your family when you give away a gift that has been given to you.

Last Christmas a popular, young insurance man made us a "personal

Paul W. Chapman of the Georgia College of Agriculture, in The Progressive Farmer, from which we quote following list of advantages and disadvantages of farming as an occupation:

ADVANTAGES—

1. Farming offers security from unemployment.
2. A man works for himself.
3. It is a healthful outdoor life.
4. There is variety in the jobs to be done.
5. Personal and household expenses are small.
6. A farmer may be at home with his family.
7. There will be no danger of losing the job on account of age.
8. It is a mode of life that makes saving possible.
9. Farmers live well compared with city workers with the same income.
10. Farming provides the opportunity for stimulating experiences in improvement of livestock, fruits, and crops over a period of years.

DISADVANTAGES—

1. Capital is required to get established.
2. Income is uncertain due to weather.
3. There is an overproduction of farm products.
4. The farmer cannot set a price on his products.
5. There is no weekly or monthly pay check.
6. Schools and churches are not as good as those in cities.
7. A man is working in competition with untrained workers.
8. There is outdoor work to be done in bad weather.
9. It is hard to get away from the farm for vacations.
10. The achievements of farmers are not recognized to the same extent as accomplishments in other vocations.

To this the Herald would say: Take any line of work, set up 10 advantages and 10 disadvantages and all will measure about the same. However, on the farm one must look and manage a long way ahead.

* Don't pass cars on hill, what's your hurry?
* Give one-eyed cars plenty of room.

Up in the Morning Feeling Fine!

MRS. WOODWARD ENTERTAINED ORIENTAL CLUB

Mrs. M. T. Woodward entertained the Oriental Club in her home on Central Avenue, Thursday afternoon, Jan. 27.

Cut flowers decorated rooms where two tables of Contract were in play. High score was made by Mrs. John Ed Day.

Following the games cake and coffee was served to Meses. A. E. Pardue, C. C. Prater, R. H. McCurdy, John Ed Day, B. L. Jones, Bob Low and Burns Eakin.

MISS WHITELEY HOSTESS TO CLUB

A Valentine motif was used in game appointments Tuesday afternoon when Miss Pearl Whiteley was hostess to the Tuesday Club in her home on Union Avenue. In the bridge games Mrs. R. B. Wiar held high score.

A delicious salad plate with coffee was passed to Meses. H. O. Casle, J. W. Ezell, W. J. Poe, J. C. Culbertson, R. B. Wiar, J. O. Jones and J. L. Keen.

BLUE BIRD CLUB WITH MRS. LOW

Mrs. Bob Low was hostess to the Blue Bird Club in her home Tuesday afternoon. Three tables of Contract were in play with Mrs. Hank Harlow playing a substitute hand. High score was made by Mrs. P. A. Fowler. A salad course was served at the tea hour.

Members present were Meses. Fowler, M. T. Woodward, John Ed Day, Arice Jones, F. D. Wells, T. A. Thigpen, Joe Culbertson, Art Carmichael, Elmer Feagan and Ted Bledsoe.

* Highway signs are installed at a big expense to the tax payer — we should use them.

MISS JACKIE SCOTT AND L. J. FLETCHER MARRIED JANUARY 23

Miss Jackie Scott, daughter of Mrs. W. D. Scott and Mr. L. J. Fletcher, son of Mr. and Mrs. W. L. Fletcher Sr., were united in marriage Sunday, January 23, in Breckenridge at the residence of the pastor of the Methodist Church.

Mrs. Fletcher has lived in Hamlin for a number of years where she has been employed in the Wienke Beauty Salon.

Mr. Fletcher is a farmer in the Wise Chapel community where he and his wife will make their home.

MISS WAYNETTE HOWARD BRIDE OF MR. ERNEST DAVIS

Miss Waynette Howard and Mr. Ernest Davis were united in marriage Thursday afternoon at 2:00 o'clock. The ceremony was read by the pastor of the First Baptist Church, Rev. J. Henry Littleton, in his home on Jackson Avenue.

The bride wore a modish suit of green wool with rust accessories.

Mrs. Davis is the oldest daughter of Mr. and Mrs. Dan Howard. She is a graduate of the Hamlin High School and for the past two years has been employed as a saleswoman in the York Stores.

Mr. Davis is a son of Mr. and Mrs. E. A. Davis, of Putman, and is employed by the Ford Motor Company, of Hamlin.

Immediately after the ceremony, Mr. and Mrs. Davis left for a short wedding trip. When they return they will make their home in the Haines Apartments.

BOYD CHAPEL CHIRPS

The concert on last Friday evening was quite a success. A very interesting program was rendered and a large crowd was present to

hear it. We enjoyed numbers by the Sinclair Quartet; The Moss Sisters Trio; the McCoy girl with her accordion; Mr. Ship and Mr. Bennet and the Contest by the Juniors. Duane Brown won first place and Jacqueline Hall and little Miss Maberry won second places. Miss Cassie King gave an interesting reading. The people of this community appreciate Miss Geneva Jo Maberry of McCauley for playing for them during the singing school.

Mrs. G. W. Bristow has been quite ill for several days.

Miss Louise Gibson spent the week-end with her parents in Snyder. Sam Tindal and family made a business trip to Fort Worth, Sunday.

Mrs. Eric Crow has the sympathy of her friends in this community, in the death of her father, Mr. Hill, of Abilene, who passed away last Friday. Funeral services were held on Saturday. Those who attended from our community were: Mr. and Mrs. Judge Crow, Mr. and Mrs. Thompson Young; Mrs. Lester Wood; Mrs. Vaden Lester and Mrs. E. R. Brown.

Mr. and Mrs. Delmer Estes accompanied their uncle, Wylie Estes to Dallas, Sunday.

Mrs. H. E. Wood, who has been staying with a daughter near Big Springs is now at the home of her daughter, Mrs. J. P. Cornelius.

Mr. and Mrs. Charlie Rumfield

and Mrs. Tabb and son, Eldon have moved to the Carpenter Gap community.

Mrs. Roy Pope was honored with a bridal shower at the home of Mrs. Eldon Pope on Wednesday afternoon. Delicious refreshments of angel food cake and cocoa was served to all present. Plate favors were heart shaped boxes of fudge.

JOHN T. DAY CARRIED TO DALLAS HOSPITAL

Last week the Herald reported that John T. Day had become very ill and was hastened to the hospital at Abilene. After being there a few days it was decided that an operation was necessary and he was carried to Dallas.

A letter from the specialist, to his son, John Ed, indicated that the operation would take place this Thursday, and all of the family except Mr. Tumlin, a son-in-law, went to be with him. At noon Thursday he had heard nothing and no report had been received before the Herald went to press. The doctor's letter indicated that he was confident the operation would be a success. Mr. Day's many friends certainly hope to hear good news.

BURIED TREASURES IN TEXAS

Buried treasure! Two words that project fleeting pictures of burly, hairy chested and deep throated buccaneers—daring adventurers like Jean LaFitte, Capt. Kidd and a host of others who roamed the seven seas, pillaging and looting.

The tales of these daring men and stories of their buried loot thrilled us as children. Some of us, per-

haps, have even harbored the idea of some day embarking on a mysterious hunt for the glittering gems and jewels which legend still say are guarded by the defiant ghosts of these departed corsairs of the bounding main.

But, today, Texas thrills to a new story of buried treasure; not of gold and silver; not of the crown jewels of Austria, which are reported to be buried in the sage brush, South of Odessa; but of the minerals which the Texas Planning Board has located beneath the fertile and prolific soil of the state.

Great industrialists, determined to keep their smoke stacks belching with the black smoke that bespeaks of humming activity below, are seeking new sources of raw materials. They have combed the eastern, northern and middle western states. Now they are turning to Texas.

Texas has many industrial minerals. Sepiolite is one of them. Sepiolite is a fine white claylike mineral, soft and light enough when dry to float on water. Until recently the only known deposit of this rare mineral, which pipe makers call meerschau, was in Turkey. But, near Uvalde there is a deposit of this mineral which some day may add to the wealth of Texas.

Vermiculite is another rare mineral with almost magic properties.

In its raw state it resembles mica. Expose it to low heats and it expands 27 times its original volume, takes on a golden color, assumes the lightness and toughness of cork and floats on water. It is fire resistant and makes an ideal insulation for electric ice boxes and hot water heaters.

Another highly prized mineral found in large quantities in Texas is mineral wool clay. The clay when treated becomes a glassy and hollow fiber which is easily forced through high pressure hoses between walls of buildings. It also can be pressed into sheets.

Serpentine is still another mineral found in large quantities in Texas. It has great value as a roofing paper filler.

The largest asphalt rock deposit in the world is located between San Antonio and Uvalde.

Texas also abounds in pumice and pumicite, minerals which are extensively used in cleaning preparations. Large deposits of graphite have been uncovered in Brewster, Llano, Burnet and Mason counties.

Marble and granite of the highest quality can be found in many sections of the state.

Texas also has a mineral which brings from \$10 to \$20 a pound. It is Iceland Spar, a pure crystallized form of calcite, sufficiently transparent and free of defects to be used

SPUR LAUNDRY

struments. Most of the Iceland Spar in the manufacture of optical in- in Texas is in Mason county.

Nature has generously endowed Texas with large quantities of brick clays, fire clays, kaolin, stoneware, refractory, tile, slip, porcelain and pottery clays.

Texas Planning Board mineralogists also have located deposits of amethysts and topaz in Llano and Burnet counties.

While the search for minerals goes on in Texas' veritable storehouse of underground wealth, the planning board is making every effort to interest out of the state industries in the mineral resources of Texas.

*Dim your lights when approaching a car, not only for safety but for courtesy.

A New Star In Heaven

Often when stories are told

About the ranchman and the great round-up,

They forget the brave and bold

Who worked to fill the cup.

I like to think of those cowboys,

Who have already crossed the great divide,

But Heaven will have more joys

With the wives by their side.

The sky is filled with beauty,

As I lift my eyes up there tonight,

For one who did her duty

Is now a shining light.

I'll never forget her prayer,

'Oh God, Please save my children all,

Let the chain be unbroken there

When they answer Thy call."

Yes, there is a new star tonight,

To me it is the fairest of all the fair,

For as it glows so very bright,

I know our mother's there.

In memory of Mrs. T. B. Cooper.

by Lillian Droke,
San Antonio, Texas.

EARL ISBILL SEEKS SECOND TERM AS CO. SUPERINTENDENT

Below is the formal announcement of Supt. E. Earl Isbill, asking for re-election to the office.

All the Herald needs to do in this case is to publish his statements... introductions are not in order for a fellow who grew to "tall manhood" in Hamlin, graduated from the high school here, went to the World war from Hamlin, returned and spent about "umteen years" as Principal of the Hamlin High School. The only thing now that troubles him is the fact that he is growing older and he has smiled so much that a lot of wrinkles radiate over his face permanently. But why say more? Let's read what he says:

TO THE CITIZENS OF JONES COUNTY:

After having had the privilege of serving one term as your County Superintendent of Schools, and feeling that the manner in which the affairs of the office have been conducted to justify a request for your consideration, vote, and influence, I am asking for the honor of serving you a second term.

Regarding the supervisory duties of the County Superintendent, the law has the following to say:

"The County Superintendent shall have, under the direction of the State Superintendent, the immediate supervision of all matters pertaining to public education in his county. He shall confer with the teachers and trustees and give advice, visit and examine schools, and deliver lectures that shall tend to create an interest in public education. He shall spend four days each week visiting the schools while they are in session when it is possible for him to do so. He shall have authority over all the public schools within his county, except such of the independent school districts as have a scholastic population of five hundred or more, etc."

In order to perform the supervisory duties as specified above, I have seen fit to continue the action of my predecessor in designating Mondays

and Saturdays as office days. I have tried to be diligent in visiting schools and in performing the varied and complex tasks arising in the administration of the 47 different units of the educational system in our county. I have attended all conferences called by the State Superintendent in Austin, as well as attending the County Superintendents' Conferences held annually at A. & M. College, thus becoming personally acquainted with practically every official in the State Department of Education, and at the same time trying to keep informed along all lines pertaining to educational advancement in Texas.

Other than supervisory, some of the many duties of the office are: Aiding and advising with the local district school boards in the selection of teachers, acting as Secretary of the County School Board, making the correct apportionment of the several school funds, approving transfers, tuition, and transportation reports, distributing free text books, advising but never dictating in the classification of schools, interpreting school laws, rules, and regulations, preparing budgets, and making permanent records when and where necessary.

As to whether I have been diligent and faithful in the performance of these varied duties, and whether I have served you courteously and efficiently, I shall have to leave the decision to you when you cast your vote. I have tried to be conscientious and liberal in all decisions. I have tried to inform myself so that I could give you either a negative or a positive answer to all your questions, upon which you could rely. I have made an honest and, I think, a fairly successful effort to secure for each school the proper amount of State Aid so that we might maintain an eight month's term of school.

I have worked very earnestly to keep the schools financially able to discharge their obligations promptly. The high per cent of taxes paid has made this possible and I wish to express my appreciation of that. The wonderful co-operation I have received from the local boards along this line is a source of much satisfaction to me.

It will be impossible for me to see each one of you personally. Mainly, I shall have to depend upon whether you believe that my services dur-

ing this first term merit your favorable consideration for a second one. Although I shall attempt to solicit your help individually, I shall not neglect the necessary work in this office merely to promote my own political well-being. For that reason, I take this method of thanking all of you who have helped me in any way at any time and assure each resident of Jones County that I shall continue to strive for equal educational opportunities for every child. I shall seek your vote and influence on the same, and only promise made you in my first race: namely, that after advising with your local boards as the elected representative of that school district, I shall earnestly endeavor to fit your school to the educational needs of your community.

Very sincerely yours,
E. EARL ISBILL.

McCAULEY MATTERS

By JOHN P. HARDESTY

Mr. and Mrs. L. E. Rector have as their guest Mrs. Rector's mother, Mrs. W. M. Keller, of Dublin.

Rev. and Mrs. Joel V. Grimes, of Avoca, and Mrs. John P. Hardesty were dinner guests last Sunday of Mr. and Mrs. R. L. Miers. Brother Grimes occupied the Baptist pulpit Sunday morning in the absence of the pastor who preached at Lueders.

The ladies of the Methodist church were hostesses to the ladies of the other church congregations on Monday afternoon. The meeting was held at the home of the pastor, Rev. and Mrs. J. R. Bateman. Mrs. Hub Parker, president of the W. M. S., of the M. E. Church, presided. Some twenty-five were present. A Valentine motif was featured. Refreshments of cherry pie, whipped cream and coffee were served.

Miss Lillian Akins, who is home office assistant for Dr. and Mrs. W. V. Ramsey, Abilene, visited home folks from Saturday to Monday.

Mr. and Mrs. W. W. Faulkenberry, former residents of McCauley, but now living in Desert Center, Calif., sent a substantial and greatly appreciated donation for the rebuilding of the pastor's home. They were members of the Baptist church—in fact still retain their member-

ship with us. There seems to be no Baptist church in their community.

Official notice has been received by Mrs. Lottie Rector, post master here, from Washington, of the appointment of George Darden as temporary carrier for the McCauley mail route, to succeed F. E. Hines who retired Jan. 31. Mr. Hines reached his 65th birthday Jan. 21, and according to the postal regulations, he retires on a pension. Mr. Darden began his duties Feb. 1st. Mr. Darden is a long time resident of this community. His many friends are gratified that he is to serve them as rural carrier. Mr. Darden is serving as constable for the McCauley precinct, having been elected to this office in November, 1936.

(Following is the honor roll for McCauley school for the third six weeks of the school year:

First grade—J. C. Bailey, J. C. Currie, Sarah Ann Steele, Margaret Darden, Jo Ann Hendon, Marjorie Galloway, James Carter Jennings, George Edward Bingham, Lovera Jackson.

Second grade—John L. Lawlis, Roberta Reynolds, Ann Wilson.

Fourth grade—Johnnie Max Jones, Bobbie George Maberry, Mary Ann McCollum, Ruby Joyce Redus, Zorita Jackson.

Fifth grade—Patsy Jim Berry, Maedeen Maberry, Marilyn Mason, Ora Frances Steele.

Sixth grade—Clyde Lawlis, Ray Akins.

Seventh grade—Geraldine Shira, Buford Jackson.

Tenth grade—Bernice Reynolds. Eleventh grade—Ollie Ray Hennington, Betty Jo Abbott, Corrine

Akins, Christina Burnham, Louella Rogers.

Mrs. Garland Davis and foster son, Don, are spending some days in Anson, with Mrs. Davis' parents, Mr. and Mrs. Ed Rowell. While there Don will take some treatments from a chiropractor. Garland is batching what time he is not going back and forth on visits to the family at Anson.

A "wild-cat" oil well is being spudded in on the J. H. Milsap place about two and one-half miles northwest of McCauley. Here's hoping oil in paying quantity is found.

Miss Velta Parker, daughter of Mr. and Mrs. Ira Parker, was returned to her home Tuesday from a Stamford hospital where she has been under treatment for pneumonia.

THE REST OF THE RECORD

BY JAMES V. ALLRED
Governor of Texas

Testimony before the Senate investigating committee this week shows without dispute that Land Commissioner McDonald has issued hundreds of leases on submerged coast lands for which he refused big cash offers bearing the usual 1-16 royalty. Instead he accepted small cash offers, usually one dollar per acre, with an agreement for an overriding, or sliding, royalty if and when oil is produced. In some instances the evidence shows Mr. McDonald has turned down over one thousand dollars per acre cash while accepting one dollar per acre with an overriding royalty.

With the exception of a few leases, there was no obligation for immediate drilling; and, although some of these leases have been executed for more than a year, only one well has been commenced on state lands in all of the counties and on all the thousands of acres leased. Not a drop of oil and not a penny of additional money has been received by the state from any of these leases, although the Land Commissioner has turned down more than a million dollars in cash for them.

Now Mr. McDonald testified that, in his opinion, the overriding royalties retained by him for the state would ultimately make a hundred million dollars for Texas. Of course, he admits this is a gamble; but even if it should turn out to be true then what he gave to a little circle of bidders for one dollar an acre an acre will yield them anywhere from two hundred million to a billion dollars.

In other words, before the Land Commissioner made these leases the state already had all that he retained and more! For a few hundred dollars he has given this small circle of bidders a gamble with hardly any obligation on their part—a gamble from two to thirteen times as much as that of the state!

It is a gamble which cost these bidders only a few hundred dollars, but at a cost to the state of over a million dollars in cash which the state was offered by other bidders!

If the state were going to gamble on oil being under our land, I would prefer to gamble the whole thing and not fritter away three-fourths of it for one-dollar an acre.

Evidence before the Senate committee further shows that some of the men who were mixed up in the old highway contracts which were broken up by Dan Moody have moved back to Austin and are asking for favors in the land office.

The hearing may be moving along a bit slowly by the committee is making headway and the testimony is developing facts which should prove interesting to everyone.

FARMERS SHOULD GET WORK SHEETS

It is highly important that work sheets be executed at once covering all farms, not covered by work sheets in 1937. This must be done before county goals can be announced for 1938, according to a letter received from E. N. Holmgren, administrative assistant, College Station, Texas. Any delay in making out these 1937 work sheets, will cause delay in the progress of the 1938 program. If you have not signed a 1937 work sheet, please call by the county agent's office and sign one within the next few days.

A one day terracing school will be held on Geo. Smith's farm, two miles from Stamford on February 10th, beginning at 9 A. M. N. R. Bentley, Extension Agricultural engineer of A. & M. College, will be in charge of this school. The morning program will consist of running lines, adjusting farm levels and a lecture on soil conservation. The afternoon program will be devoted to constructing terraces, in which county equipment will be used. All farm levels in the county, owned by individuals or communities, should be brought to this demonstration, in order that they may be adjusted.—Floyd Lunch, County Agent.

WASHINGTON NEWS LETTER

(FROM CONGRESSMAN
CLYDE L. GARRETT)

LOCAL BOY MAKES GOOD

Our office force feels slightly good this week for on last Friday Sam Conner was called to Fort Myer to take the record of a court-martial case. Sam passed his examination as a court reporter before he left Texas and when his qualifications were learned here on the Hill he got a call for this work. Several other such calls have been received since then and he is getting some fine experience.

XX

MAILINGS THIS WEEK

The office this week mailed out several hundred farm bulletins to our farmer friends who had requested them. Crop outlook reports, all that were available were sent to various Chambers of Commerce. Interesting decisions of the Supreme Court were mailed to a group of the lawyers of the district and "Baby Books" to the number of 150 were sent to the mothers of the district. There is never a large enough supply of these books and occasionally some folks have to be overlooked.

XX

HELP! HELP! HELP!

If you do not use a printed letter head when writing be sure that the address is plain for we have had to go back to the envelope many times to see where a letter came from. With the volume of mail we are receiving it is quite a help to have plainly addressed at the beginning or end of a letter. If you sign your name we will always answer. Don't send us postage for this is provided by the government.

XX

BUSY SESSION FOR COMMITTEES

Congressional committees are facing a busy session and have started to deal with a wide variety of subjects that include taxes, appropriations, investigations of ship subsidies, judicial fitness of nominees to the Supreme Court, and wire tapping.

XX

RATIFICATION AMENDMENT

Senator Connally of Texas spoke before the Senate Judiciary Committee on the Norris resolution for an amendment to the Constitution to change the method of ratifying constitutional amendments. Senator Connally suggested that the projected constitutional amendments be submitted to popular vote at special elections. This differs from the Norris plan in that the latter would submit them at general elections.

XX

ANTI-LYNCHING BILL

The Federal Government would have the power to fine and imprison any local policemen who are negligent in protecting a prisoner from a mob and also to make a county in which the lynching takes place pay a fine up to \$10,000 to the victim's family, according to the Wagner-Van Nuys anti-lynching bill.

XX

CHAMPION FILIBUSTERER

When Senator Allen Joseph Ellender, Louisiana's junior senator, spoke 27 hours against the anti-lynching bill on January 20, he beat the 18-hour record held by the elder La Follette in the Senate. Both were interrupted several times, however. Senator Ellender has served less than two years in the upper house, of Congress. Reed Smoot of Utah, still holds the record for continuous uninterrupted filibustering speech of 11 hours.

SODIUM NITRATE USES DESCRIBED IN NEW PUBLICATION

Sodium nitrate should be applied early in the spring to crops that need a prompt early start, according to the Circular 436 "Production and Agricultural use of Sodium Nitrate" recently issued by the U. S. Department of Agriculture. Crops that are to be eaten raw or used as salads, such as lettuce, early cabbage, spin-

LOCAL NEWS FROM FAR AND NEAR

(By TRESSIE BROWN)

Mr. and Mrs. John Greenway and little sons, Doyle and Thomas Derral of Roby, spent the week end with Mr. and Mrs. T. S. Brown and family.

Mr. Lawrence Dennis and Mr. and Mrs. R. C. Dennis of Odessa visited relatives and friends in and around Hamlin this week end. We were delighted to see them although they were stated to "come after a coal of fire." We hope to see them visiting again for a longer period.

Mr. and Mrs. Barney Smith and family of Neinda visited Saturday night with Mr. and Mrs. Jim Brown and little daughter, Betty Joan.

Mr. and Mrs. Jim Johnson attended the Fifth Sunday meeting held at Schnery Lake Sunday.

Little Joe E. Brown, baby boy of Mr. and Mrs. Arza Brown, has been ill for a week or so, but is gaining back his health slowly, and we are thankful to see his health restoring. The singing school closed at Boyds Chapel Friday night. The concert was proven all that was stated "your money's worth," and I'm sure the greatest amount of attendance got their money's worth and the teachers, Mr. Fred Bennett and Mr. Henry Ship, deserved more than part as they certainly put patience and interest in their pupils and we give them our thanks for their kindness shown during the two weeks school.
